I believe the Court of Appeals settlement is fair & just. As a WEB TV Grandfather & GRANDMOTHER Microsoft ha added so much to our lives from letters to & from our Children & Grandchildren to pictures of our Greatgranddaughters--also activities we never thought we could do on the Web. We live in a retirement village & we all are greatful to Microsoft for all their efforts in our behalf.Please settle the case in Microsoft`s FAVOR!!!

Sincerely  
Elaine E, & Simon Cohen
